

## Recognize Your History with a Highway Marker

Spring 2010

Installing a roadside marker is one of the most visible and cost effective ways to celebrate historical people, places, and events in your community. Established in 1926, Virginia's Historical Highway Marker program is maintained by the Virginia Department of Historic Resources and is one of the oldest in the nation, featuring roadside markers on a wide variety of subjects throughout the Commonwealth.

D+A Historian [Arthur Striker](#) has extensive experience with Virginia's Historical Highway Marker program, including all aspects of the submission process from initial text development to final approval. For more information on the Highway Marker Program or getting your project started, contact [Dutton + Associates](#) at 804-644-8290.

---

Dutton + Associates, LLC. is a small woman-owned business creating and delivering successful cultural resource management strategies at the federal, state, and local levels.
